47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Since June last year (2017) we changed our internet provider from AT&T to Sonic. we have been very happy with the Sonic fiber service. It is faster and more reliable. The Sonic also provider the internet landline for my internet home phone service. As a consumer I like to see Sonic continues it's service and provides competition among other giants.
